Attention: Mr. Himanshu D. Vora, In-charge, Technical services

Dear Sir,

Subject: Approval of your welding electrode Ratna 6013 X ,Ratna 6013 XX
(E-6013) & Ratna 7018(E-7018)

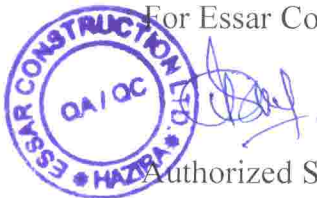

With reference to your letter dated 18th May 2006, for the above-mentioned subject, we have reviewed and tested the electrodes and found suitable for use in our Project work at Hazira. The Details are

Trade name: Ratna 6013X, Ratna 6013 XX	/ Ratna 7018
Description: Rutile coated	/ Basic coated
Diameters: 2.5,3.15 &4 mm	/ 2.5,3.15 &4 mm
Welding current: DC, EN	/ DC, EP
Welding Positions: All positions for Butt welding except vertical down	

Please keep us up to date for any change in Trade name /Manufacturing system.
Also you are requested to ensure proper co-relating batch certificates are furnished along with every supply.

This approval is valid based on the consistence in Quality which has to be checked/reviewed by us periodically.
