Manu Agarwal
Raajratna Electrodes Pvt Ltd,
11, Sona Roop Apptt,
Opp Lal Bunglow,C.G Road
Navrangpura, Ahmedabad-380006, India

Subject- Approval for your Brand RAAJCORED 71 (E71T-1C).

Kind. Attention: **Mr. Manu Agarwal**

Dear Sir,

We have tested above mentioned electrodes, details of which are as given below.

Batch No. : FC/0264/L
Diameter: 1.2 mm
AWS Classification: E 71T-1C
AWS Specification: AWS 5.20

Testing was carried out as per SFA 5.20 E71T-1C ASME Sect. II Part C Edition 2015. We are glad to inform you that test results meet the requirements of said Code. The above mentioned electrode is approved & validity of approval is upto 06.12.2018.

You may please note that you have to strictly adhere to all the requirements of SFA 5.20 of ASME Section II Part C latest edition & Addenda. Also you must keep validity of third party approval & same send to us for our record. For renewal of approval please refer our procedure TH/WED/12 & strictly follow.

Printing /using of Thermax name or monogram on the any product package or letter should not be done. Also Thermax can check your product at our vendor places at any time. Any deviation to Thermax quality compliance approval will be withdrawn

Thanking you,

Yours Faithfully,
For THERMAX LTD.
